

AUDIOPOLI

Aniversario 2.0

Audiopoli Aniversario 2.0 is a compact two-way passive loudspeaker for nearfield and mid-field applications. It features a ported enclosure for extended low-frequency performance, a tweeter waveguide for controlled directivity, and a tweeter level adjustment for adaptation to different acoustic conditions.

Specifications

Dimensions (W x H x D)	160 × 260 × 190 mm
Drivers	115 mm (woofer) 25 mm (tweeter)
Frequency response	56–19 000 Hz (±3 dB)
Sensitivity	80 dB (2.83 V/1 m)
Crossover	1800 Hz (LR2)
Harmonic distortion at 80 dB	< 3% below 1 kHz, < 1% above 1 kHz
Nominal impedance	4 ohm
Power handling (RMS)	40 W (theoretical)
